

## What's Happening at FCC:

### Check-in on the App!

Use the Elexio Community app to check your kids into their rooms today and for you to check into worship services too! When you have the app you can also access the church calendar and have contact info for our FCC family. Get the free Elexio Community app for your device in the App Store or Google Play.

### Life Groups for Adults

If you're looking for a Life Group, go to [kenoshafcc.com](http://kenoshafcc.com) under Groups and see if something matches your schedule! There is something for everyone!

Sermon-based questions are available every week for your group. There is a *Financial Peace University* group for those looking to get their financial future balanced. *Lord, Change My Attitude* for those who need a change, and even a group for *Creative Gals*. You can also visit Next Steps today in the south foyer and someone there can get you signed-up for a Life Group or get more information for you.

### RightNow Media

In our continued effort to find ways to keep costs down and effectively maintain FCC's budget, we have made the decision to suspend our subscription to RightNow Media as of July 31. If you are looking for resources, there are some great options on youtube, GodTube, and many churches put their sermon series' online in video format, especially preachers who have written studies.
