A Message from Rev. Betsy...

“My heart is ready, O God, my heart is ready! I will sing, I will sing praises! For your steadfast love is great above the heavens, your faithfulness reaches to the clouds.” Ps. 108: 1,4

It's Fall, the season for giving thanks. Also, the season for my birthday, a day I take time to review my life over the past year. This year was no exception, and I had a great deal to be thankful for this time. Getting through from my cancer diagnosis to the end of treatment certainly is near the top of the list! Great new friends who helped me with rides, household chores, shopping, and moving to a new home are also near the top. Being a part of our church and helping to serve so many people in Jesus' name, the privilege to serve Christ as a preacher and teacher, and learning so much from my Congregation members are also very important to remember with thanks. However, there is one thing that tops my list as what I am most thankful for this year. During my illness, especially early on when I didn't know the prognosis and when I was suffering so much after surgery and during chemotherapy, there was one thing I clung to and from which I received comfort and peace. I clung to God, praying constantly, sharing my fears, my pain, my needs. Even when I doubted whether God really cared or whether I really was God's beloved child when I was allowed to suffer so much, I still prayed and clung to the hope that I would be cured. I told God that my kids still needed me and there was much work left for me to do. Not too humble! Like God couldn't take care of those things without me! Well, as you know now, things worked out the way I asked. Chemo is over and there are no signs of cancer in my body! I am very grateful for this! Yet I am even more grateful for the closeness I feel to God now. Clinging to God reminded me that God really loves me even when I suffer, and that even when my body one day gives out, God will always be with me, always providing for me. What a gift I received from this very difficult experience. This closeness to God is what I'm most thankful for this year. What tops your list? Take some time to review your year — and with a “ready heart” give praise to God!

Keep shining bright!

Rev. Betsy

A NOTE FROM YOUR TREASURER

As of the end of October 2023, Pledges collected are close to \$192,000 or 83% of our budget – right on target to end the year on budget! A big thank you to all who continue to faithfully fulfill their pledge! Your continued support of our church is greatly appreciated, and I ask that you prayerfully consider your 2024 Stewardship Pledge for the coming year.

STEWARDSHIP

Stewardship Sunday, November 19, 2023
Theme: “Because of You, our church changes lives”
If you have donated in the past, but not pledged, we ask you to consider pledging so that your planned giving can be included in the church’s operating income. Pledging makes up nearly ¾’s of the church’s total operating income and thus is critical for planning purposes. Every pledge is an important

building block to ensure that the work and mission of our church can be strengthened. No pledge is too small.

Pledge cards along with related information have been mailed. If it is more convenient for you, merely mail your card or drop it off in the church office or outside mail slot. To clarify, the pledge card has entries entitled “ministries” and “wider mission,” which refer to “operating” and “missions,” respectively.

If you did not receive the mailing or if you have any questions, please contact one of the committee members below or the church office. We invite all who are able to bring their cards forward on Stewardship Sunday.

As we prepare for our annual season of giving, let us delight in the Lord for all He has given us, and let us acknowledge His gifts as we consider our support for the work and mission of our beloved church.

and Dave Smith

CDM+ ANNUAL USERS CONFERENCE

The last week in September, over 2.5 days (73 total sessions, 46 unique class offerings) Lisa, Suzanne and Deb attended our Church database's Annual Users Conference in Dublin, OH. We want to thank the Trustees for approving the funds for us to attend - it was well worth it!

As a little background, CDM+ has its roots in a pastor’s desire to be able to track and do certain things for his congregation, so he developed programs to accomplish those tasks which could be automated. When other pastors in his area asked him to share these tools, his company Suran, was born. Our church has been using this software since 1989!! So, there is a LOT of data in our database. The reason we wanted to attend the conference was to get a better understanding of the database structure, and what tools are available to us.

There were suggested "tracks" of classes offered and we went to ones that best fit our roles in the church. Deb focused on all the Membership offerings, Lisa on basic Membership and Accounts Payable/General Ledger classes, and Suzanne on Contributions and online/mobile options. As attendees, we each received a copy of the full

Training Manual from **every** class offered at the conference, and we also brought one home for Janet.

Lisa and Deb also spent time in the CDM+ Lab, looking at some specifics related to our database. We learned how we can email members directly from CDM+. Over the coming weeks, Deb will be crawling through the database to make sure we have current contact information for the congregation, and get things set up so we can use that feature. This should give us more flexibility in what the content "looks like" that gets sent out. One of the biggest takeaways from the one-on-one lab time was that we can now attach documents to our emails as well as using font features like bold and italics, etc. [As an aside – you will see an announcement about changes coming to ENews and EPrayers in the bulletin this week.]

As with any relational database, what we get out is only as good as what we put (or in our case, **have**) in, so Deb will also be looking through all our current membership records and making corrections as needed. There is a LOT we can do with the database, but we'll need time to get things set up to take advantage of it fully. This includes merging the accounting "silo" with membership and contributions, which Janet Rivard is spearheading.

On a personal note, I would have not been able to attend the conference without Lisa and Suzanne's help - a surgically repaired wrist is pretty restrictive. (Deb)

Respectfully and gratefully submitted.... Lisa Coffey, Suzanne Arpante, & Deb Boucher

Cabinet Comments

Our October Cabinet Meeting—with Trustees and Deacons invited to attend as well-- focused on the results of the Feasibility Study which was presented by Jennifer Williams of Williams Consulting. *For an electronic copy of the study, please contact the office.*

To recap, the goal of this study was:

- To determine the level of enthusiasm for the proposed projects that had a Capital Campaign goal of raising \$850,000.
- To determine the confidence in leadership to be able to successfully conduct such a campaign.
- To assess the ability of the congregation to raise the \$850,000.
- To test the willingness of the congregation to launch a campaign.

Jennifer Williams interviewed 35 families representing a cross section of the congregation. The results and analysis that came back showed that while we could raise the targeted amount of money, other indicators suggested we not initiate a campaign at this time.

With that conclusion and realizing that there are still things we need to do to improve our worship and gathering environment, your Cabinet and Trustees will look in depth at the study results and consider targeted fund raisers for critical individual projects—such as steeple repair—as well as modernizing projects that will benefit the church and how we use our building—such as updating our kitchen and bathrooms. Themes can include looking to raise \$300,000 for our 300th Anniversary. The key next steps now are to focus on revitalization and growing our congregation.

For more details on the study, we can provide a copy electronically and we have a few printed copies available in the office.

- The Cabinet was also informed that the Deacons unanimously voted to support Pete Graham to renew his Member in Discernment status with the Association Conference on Ministry. This means that we will once again see Pete (and Rachel!) in our congregation and occasionally preaching.
- Financially, pledged income is behind a bit (so please catch up if you can) and non-pledged donations are up.
- Cathie Achorn, Chair of the 300th Committee, held an in person and Zoom meeting for anyone interested in participating. Rev. Betsy indicated that an opening worship service and a “grand luncheon” in January would be a great way to kick off the celebration.

Blessings to all,

Roland Regnier, Moderator

PARISH LIFE

The Westborough Winter Stroll

Sunday, Nov. 26, 2023 2-5pm

The Parade starts at 5:30PM

The Parish Life Committee would like to invite you to participate in the annual Westborough Winter Stroll. This year again we will have two tents up. One will be handing out free “Elf made” Popcorn and hot cocoa and coffee. We welcome any elves to dress up and come help. The people especially love to see the kids. “Cocoa the Elf” made the popcorn last year. The other tent will house information on our Congregational Church, as well as information on the upcoming 67th Annual Evergreen Christmas Fair. We need people to dress warm and sit behind this tent.

This year we would like to add the entertainment of a choir or group of people to dress up in warm old fashion caroler outfits (scarves and hats and mittens will work) and sing Christmas Carols. We could use a director also. Please consider this as we think this would be a lot of fun.

Since the parade starts near the corner of Church and W. Main Streets, we would like to put some chairs out front for people to view parade. So we need helpers to put up the tents and lights, and to put some chairs up under the tree on the corner.

If you would like to help out with this activity or would like to sing, please contact by calling or texting Cathie Achorn at 508-380-8671 or tell anyone on the committee.

Looking forward to seeing you all,
Your Parish Life Committee,
Cathie Achorn, Linda Borglund, Sandy Horton, Diane Lindberg

300th ANNIVERSARY COMMITTEE

The 300th Anniversary Committee has met a couple times and we are still need new members and invite you to pop into a meeting or two to give us your thoughts.

Please note we have a meeting Nov. 20 to decide on the logo to use for the celebration and what if any items we will be ordering as far as souvenirs, This will not be a long meeting. Then the whole committee and subcommittees will meet again on Monday night Dec. 18 at 7 PM to continue our planning for this wonderful time in the life of our church. Please consider helping out in any way be it in person, prayers or financially. This is important. With thankfulness for this wonderful Congregation, Cathie Achorn 508-380-8671.

FLOWERS

It's that time of year to donate poinsettias in honor of or in memory of a special person. This year we will have the display up on Sunday, Dec. 24th so we would ask that you order them by Wednesday, Dec. 13th. The flowers will then be delivered to the octogenarians and shut-ins. **The price this year is \$13.00 per plant.**

See the order form at the back of the Evangel.

CHRISTIAN ED

We have had a great kick off to Sunday school this year. Youth signed up at our Welcome Here Sunday and have been learning about Adam and Eve, Joseph and his brothers, how baby Moses came to a Egyptian princess, cooking cinnamon buns and making pies for the Curtis family.

We had our first youth group meeting in October and carved pumpkins 🎃.

Our Christmas pageant will be on December 17th during the 10 am service. Hope to see you all there.

Linda Borglund
CE Director

MUSIC CORNER

Hello Church Family!

Do you hear what I hear? The sounds of the season are just around the corner. You love the feeling of the holidays! You love the music of the holidays! Come join the Chancel Choir for the holidays! :)

This Advent Season will be a treat for your ears. We have a wide variety of music planned: from the traditional hymns that we all love to sing, to new renditions of those old standards, to popular holiday musical selections, to Christmas Celebration Music from Africa!

Our Christmas Eve Service is always a musical highlight of the year for our church. Of course, we will sing hymns together - less verses of each hymn this year though :) But I also would like to have another Youth Ensemble. Last year we had four of our talented youths perform "Carol of the Bells," and I would like to arrange something similar this year. If you have a youth that "belongs to you" and that youth is musically inclined and interested in being a part of this, please reach out to me. We welcome all instruments and all levels of ability!

Chancel Choir: Wednesday nights, 6:30-8:00pm in the Choir Room. We meet and laugh and sing and Praise our Lord! Consider joining us :)

God Bless,
Joe Stillitano
