Central Truths that Christians Confess

What are the essential truths of the Christian faith that we believe? We believe in God and His Son, Jesus Christ, who entered into history to die for our sins and rise again from the dead. This is the gospel - and the gospel is historical. It actually happened and we believe it from beginning to end.

Join us each week as we explore how the gospel and the Christian faith gives us an account of the world - defines the meaning of our existence - and is the hope for our eternal future!
