# Niverville Community Fellowship

## [ SERVE ]

- ♦ We are looking for videographer to join our tech ministry. Training provided. Email the office if you are interested!
- ♦ What is a Food Group??  
As you know NCF values discipleship which includes building community! As such we value events for the church and the community! In order to successfully run events NCF has designed "food groups" where ALL attendees are added into different groups to help facilitate different functions of each event. All groups will be called on by rotation throughout the year to help with things like: setting tables, serving food, or cleaning after an event. Each group is facilitated by a leader. If we've accidentally missed you and you would like to participate, or if you have any questions or concerns, please let us know!

## [ LOVE ]

Thank God for our church family, and ask Him for much grace and the power of the Spirit to make disciples.

Pray for our graduates!

Pray for Pastor Matt as we release him as one of our pastors, and send him into his new ministry as Campus Pastor at Providence.

## GROW

**Nursery** | We have a nursery with the video and sound being fed onto a TV so you can continue to worship while your children sleep and play.
