[LOVE]

Pray for eventual peace in Ukraine, Palestine, and other parts of the world where there is war. Pray for the thousands of innocents being affected on each side of the wars.

Thank God for VBS and for those who ministered to children and teens this week. Praise God for the hearts he is changing, and the memories he is making that will last the youth for many more summers to come.

Pray for students and parents that are finding ways to ease back into the fall schedule for school and other activities.
