♦ What is a Food Group??

As you know NCF values discipleship – and part of that includes building community with our fellow believers in Christ. As such we value church and community events! In order for us to successfully run these events NCF has designed “food groups” where ALL attendees are added into different groups to help facilitate different functions of each event. All groups will be called on by rotation throughout the year to help with things like: setting tables, serving food, or cleaning after an event. Each group is facilitated by a leader. If we’ve accidentally missed you and you would like to participate, or if you have any questions or concerns, please let us know!

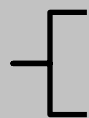

[- LOVE -]

Pray for students and educators as they head back to school

Pray for our kick-off Sunday (and for courage to invite people).

Pray for ministry leaders as they head into fall rhythms.

Pray that God would be forming us into a community of faith that reflects his heart.
