

SCRIP PROGRAM

How SCRIP works:

The **SCRIP program** is a way for our Church, Academy, and Trinity Early Childhood Academy (TECA) families to support all of our ministries through the purchase of gift cards.

When you purchase gift cards through Trinity **SCRIP** at full face value, each business gives a different percentage discount that is given back to Trinity in cash. The percentage varies from 1.5 – 20%.

You are then able to choose how that money is used at Trinity by allocating a percentage to each fund you designate below; you only have to choose your fund allocation once.

SCRIP will be available for purchase at each location (Church/Academy & TECA) or you can order directly online at www.shopwithscrip.com or use the mobile app found at www.myscripwallet.com. Set up your own personal account with a user name & password. You will be prompted to enter the Trinity enrollment code: CL1BB46B27696

Using **Presto-Pay** with your online order allows you to pay directly online for your purchase and eliminate issuing checks to Trinity. This also opens up the online option to replenish your existing scrip gift card online with **Reload & ReloadNow**.

Trinity will have a variety of gift cards on hand at each location but you can utilize the website to order any card you choose and it will be delivered to Trinity weekly.
