The leader of your team will call you the week before your team serves to remind you of your commitment and find out what kind of cookies you will be making. At that time I ask that you let her know if you will be able to help set up, serve, and clean up. When your turn comes up, please make six dozen cookies of your choosing. Have them in the church kitchen before the 10:00 service. If you are not able to bake on your assigned day, please trade places with someone else and notify your leader who will be taking your place. If you have any questions please call your leader.

The table sign, (to encourage two cookies each), is in the kitchen cupboard behind the door. Please continue to put it on the table. There are name cards for the cookies, in the drawer to the right of the kitchen door, to put on the cookie table to identify the kind of cookies they are, if they have nuts in them please note that on the card.

“Thank you,” to each one of you for your willingness to serve in this ministry. A “Thank you,” is expressed to me many times by individuals enjoying the cookies and I want to pass that on to you. The “yahs,” that are expressed in church when ‘cookie fellowship’ is announced is letting us know that everyone really enjoys the event. It wouldn’t happen without each one of you. Thank you!!
