| 9:08:06a       | 5:00              | <b>Bible Story Box: Jesus Breaks Bread - Remember Me</b><br>Jesus and his friends had traveled to Jerusalem to celebrate the Passover. That's a special "party" held every year to remember what God did for his people when he led them out of slavery. The party started. Jesus told his friends, "I have really wanted to eat this Passover meal with you!". Jesus held up the cup of blessing and gave thanks to God. Then he told his friends to share the blessing cup. Next, he picked up the bread and broke it. When he broke the bread, he said, "do this to remember me". The disciples were happy to share this special meal with Jesus. They did not know that something sad was about to happen. They did not realize how important this meal was going to be. Today we STILL celebrate this special meal, when we come together for Communion. Every time we do, we remember Jesus. | Valerie                   |
