Women's Retreat

Each month we pray for another Gospel-centered church in Northern California that's seeking to proclaim the Good News of Jesus Christ. This month we hear from Living Roots Christian Church, which meets on Cherry Street in Santa Rosa.

At Living Roots, our motto is, "We are a family of missionary servants formed in Jesus' image, by His Spirit, for His purposes of making disciples." And we exist so that all people would experience the transforming grace of Jesus! We believe this will happen as we follow the way of Jesus in living authentic, selfless, and gracious lives, and follow His command to make disciples and live out the Gospel in life, community, and mission.

Since our plant in 2012, Living Roots has experienced many evidences of God's grace. One that we experience daily is our chapel building in downtown Santa Rosa that was gifted to us in 2018. With our property, we also have an adjoining parsonage (Annex) that sustained fire damage in 2011. It is our hope and prayer that our facilities would bless the city and be utilized more than solely on Sundays. So far, we have been able to host community dinners, open mic nights, and fundraisers, among others. We are continuing to pray and trust in the Lord to provide for the Annex rebuild. We trust in His

timing and provision for ultimately what is, has been, and will always be His property.

More evidence of God's grace that we experienced in 2025 included 11 baptisms! We also spent the entire year studying the Word of God as one cohesive story pointing to Jesus by going through the six scenes of God's Story (*V Creation, X Rebellion, > Promise, + Redemption, > The Church, V ReCreation*). We concluded in December with a Great Banquet, pointing to the feast we'll enjoy with Jesus in Heaven when He returns. Also in 2025, on June 1, we ordained two elders: Dan Closser and Danny Kountz. Their humility, servant-heartedness, and spiritual discernment have been a blessing to our church family. That summer, our lead elder, Art Cena, and his family, enjoyed a sabbatical. And in the second half of 2025, we continued to experience God's grace through change and transitions. In the fall, we were able to hire two part-time staff, Nicole and René. We also restructured a few Gospel Communities (GC). GCs are at the core of Living Roots as we are called together to live like family, through life on life, life in mission, and life in community.

Today, we continue to rely on God's grace. We are learning to implement structure, equip GC leaders, and live more intentionally as The Church. Over the next few months, we will continue to explore Life With Jesus (Spiritual Disciplines) through the practices of Sabbath, Silence and Solitude, Scripture, and Prayer. We desire to be formed by Him, together, for the sake of Santa Rosa, Sonoma County, and beyond. Thank you for joining us in prayer as He tills the soil of our community, plants good seeds, and grows our roots down into Him (Colossians 2:6-7).

Grace and Peace,
The Living Roots Family
