How old are you?

I have just recently turned eleven years old.

Tell us about your family.

Mummy works for the church as the Tech Coordinator and Administrative Assistant. Daddy is undergoing elder training for the church and works for a company called Keysight, which manufactures electronic test and measurement equipment. My sister, Isabelle, helps in the sound booth and is in the church youth group. Mummy homeschools us both, and we have a lot of great memories together as a family.

Have you always lived where you do now? What are some of your favorite things about where you've lived?

I was born in Dubai in the UAE, and we soon after moved to California. I do not remember anything about Dubai, but what happened was we had to go back and forth between our family in the UK and California while we waited for Mummy to get her Green Card. We then stayed with my great-grandmother in Penngrove. I have a few memories of that,

and they're all happy ones. When I was five, we moved to Santa Rosa. We've moved houses once since then, but we've stayed in the same area. I enjoy being able to have quiet walks and bike rides through this peaceful area.

If you had a completely free day, what would be your ideal way to spend it?

I'd enjoy having some family time out in nature, then having a quiet afternoon and playing a board game.

What led you to decide to follow Christ?

I don't remember ever making a specific, conscious decision to follow Christ. All throughout my life, I've been raised in following him, and that's led me to pursue a further relationship with him.

What's one thing that Christ is teaching you at the moment?

He always provides for us in the best way possible, even when it doesn't seem to suit us at first.

What do you love to talk about?

It really depends on who I'm talking to. I can launch into a nerdy conversation on a lot of different subjects, so I try to choose one that will interest the other person. I enjoy discussing and debating about various video games as well as talking about music theory. I also do taekwondo and enjoy talking about that, and can sometimes get off into deeper historical and philosophical discussions — although perhaps not for too long.

What advice would you give to someone who's new to Redemption Hill?

Be friendly and open — and try to get the good snacks while they're there!

Pray:

- Mary Campbell: Recovering from knee replacement 06/29.
- Steve Campbell: For diagnosis and relief of strong leg pain.
- Brandi Durham: Full healing of knee and ankle.
- Linda Hubley: For comfort from the Lord, his Word, and his people. For continuance of the perfect peace she currently experiences. That she would make the most of every day, especially during the "better" periods between treatments. That she would identify and make the most of opportunities to speak with others about the Lord.
- Kathy Hughes (wife of Dan); Diagnosed with stressed kidney, lung cancer. Dan is caring for her and working full time.
