*Adam Peacocke is one of our supported missionaries. He leads FeatherVine, a ministry focused on developing unity among churches in Sonoma County, supporting them as they reach out to their local communities.*

I am so thankful to the Redemption Hill community for their faithful support of FeatherVine since 2017. This has made it possible for FeatherVine to serve local congregations in being an abiding and faithful presence sharing the love of Jesus and hope of the gospel in this beautiful place God has called us. We are deeply encouraged to see God's grace at work here in Santa Rosa and Sonoma County. Here are a few recent highlights...

School Outreach – As the new school year is getting started, we remain amazed at the grace God has been bestowing on this outreach. Last month a film crew came and captured testimonies from four of these partnerships, which included both Christians and non-Christians talking about how important these partnerships have been to staff, families, and students in need. Then, on the first day of school, our churches were able to come together and provide lunch for 450 staff members for elementary schools. This outreach opened the door for two schools to express interest in having a partner relationship with a local church.

**Disaster Response** – Since the 2017 fires, FeatherVine has been honored to help coordinate the disaster response efforts of local churches across Sonoma County. The help churches provide have always been appreciated, but after what has taken place in recent years, both the County of Sonoma and City of Santa Rosa's government leaders have reached out to invite FeatherVine to coordinate for the churches to have a presence INSIDE their Emergency Operations Center when disaster strikes. Last month we hosted our first ever readiness event for Sonoma County congregations and leaders from across the Bay Area came to see what is happening here in Sonoma County as a potential model for churches across the region. We now have roughly 100 faith-based organizations committed to collaborate so we can maximize the practical help we can offer and position the Body of Christ to shine as salt and light during dark times.

**Cultivated trust is creating many additional opportunities**

- We are continuing to serve local churches in effective outreach, including helping families and youth in crisis through the Foster Care system.
- We hosted a strongly attended Active Shooter Training for dozens of local congregations alongside the Santa Rosa Police Department, who despite some public pushback have decided to lean into Faith and Blue again this October because of their value for the relationship with our congregations.
- FeatherVine has leaned into a growing hunger for expressions of united prayer by hosting twice monthly prayer walks at different locations in the city of Santa Rosa, monthly in Petaluma, and quarterly in Windsor.

**Please Pray - Here are 3 specific prayer requests for FeatherVine –**

- Please pray for the continued development of the multi-congregational disaster response plan that is being developed to help the church shine brightly when our community needs it most. This month Adam is helping host a key training for representatives from churches in each supervisorial district and working to develop a more complete resource map of what ways churches are ready to help.
- Please pray for the growing hunger for prayer that is stirring in the Body of Christ in our area. Specifically, please lift up the prayer walks in our city - pray that they would deepen our commitment to the Great Commission, provide a growing understanding of what it means to serve Jesus faithfully in Santa Rosa, and deepen our relationship with God as we exalt Jesus in this place.
- Please pray for Faith and Blue Sunday (October 12th) as congregations across the city will have the opportunity to honor and pray for law enforcement.

**Pray:**

- Julia Basch: Experiencing flare-up of postural tachycardia syndrome.
- Mike Basch: Broken wrist.
- Cindy Berg (Wife of Bill); Healing & peace during recovery from back surgery.
- Noel Dachauer: Wisdom on and healing for long-standing health issues.
- Jenn Welch: Recovering from major surgery on 03/27 to remove all cancerous areas.
- Devon & Ashley Litchfield: Married on 6/21.
- Linda Saunder's son: Recurrence of benign tumor.
- Jeff Marshall: Healing and endurance for him and Renee
- Shirley Oliver: Undergoing treatment for cancer.

### Points for Prayer

- Pray for our midweek Community Groups to continue to realize spiritual growth through discipleship and the study of God's Word.
- Pray for wisdom for our leadership team (Elders and Deacons) to lead well, teach well, and be protected from Satan's attacks.
- Pray for continued growth in our understanding of personal worship throughout the week and not just during our Sunday morning gatherings.

The Harvest Party is our annual fall outreach event. We run numerous carnival-style games, give out abundant snacks and treats, provide dinner (a chili cook-off), and have a lot of fun. Costumes are encouraged!

### Reaching Out

As well as being a highly enjoyable event for the church body, it's an opportunity for us to invite in the local community and our unchurched friends and neighbors. In celebrating God's goodness, we can let them know that we're thankful for them, and that they're part of God's goodness to us. For those who might be hesitant to come to a church service, the Harvest Party is a fun, easy, no-pressure way for them to meet other members of the Redemption Hill family in a safe, welcoming environment.

### Inviting Our Neighbors

We have many invitations that we would like to mail to our local community. ***Join us at 12pm TODAY in the Youth Room to affix mailing labels to these invitations.*** Lunch provided!

### Helping Out

There are many ways to serve in the weeks leading up to October 25th and on the day itself. Check the sign up sheets in the Foyer to see how you can get involved.

### Candy!

If you would like to donate candy for the Harvest Party, please bring it in by Sunday October 12th.
