Women's Retreat

Each month, we pray for another Northern Californian church that's seeking to proclaim the gospel of Christ. This month, Daniel Huskey, Pastor of City Parish Church in Petaluma, shares a little about his flock and how we can be in prayer for them.

City Parish is in a fun season of growth... both in the depth of our affection and allegiance to Jesus together, and in seeing new folks get connected to our church family. We just turned seven years old as a church and have been in a season of gratitude. We've also been given an \$18k matching grant for our last year as a church "plant" and transitioning to an established church.

Points for Prayer:

- That we'll steward the growth well.
- That we'll continue to serve our neighbors well.
- That we'll raise the \$18k to reach the full potential of the matching grant.
- That our new sermon series in Philippians (The Cross-Shaped Imagination) will reap Kingdom dividends.

SUNDAY, DECEMBER 14, 2025

Points for Prayer:

- For our guests, NLP program participants, RGM staff, and volunteers, as Christmas time for some of us is a very stressful time, both mission-wide and personally.
- Pray for the men and women in our New Life Program, that they might know and feel the love and grace of Jesus Christ living in them.
- Pray for the people still out on the streets — many of them "without hope and without God in the world."

Pray:

- Carla Aubineau; Canon Eddy; Cathe Rudell: Baptized on 11/23.
- Cindy Berg (Wife of Bill); Healing & peace during recovery from back surgery.
- Phil de Blik & family: Following the passing of his brother, Ray.
- Noel Dachauer: Wisdom on and healing for long-standing health issues.
- Jenn Welch: Recovery from surgery.
- Jenn Welch, Simone Mendieta, & family: Following the passing of Jenn's mom/Simone's grandma, Cheri.
- Robin Williams: For gospel seeds sown in others during missions trip to come to fruition.
- Carols in the Courtyard: for opportunities and boldness to invite non-church-attending friends.
- Shirley Oliver: Thanks that cancer's currently in remission; wisdom re: future ongoing treatment.

PRAY

for the Swansons

Points for Prayer:

- Continued prayer against confusion and for clarity.
- Identification of the fungal source (there was a hotspot on the PET scan below the pacemaker in an area operated on in 2015, and they aren't sure what it is).
- Healing & eradication of the fungus.
- Protection against emboli.
- Removal of medication side-effects.
- Against spiritual attack and for God's peace and joy to reign continuously.
- Wisdom and direction regarding next steps.
- Thanksgiving: Experiencing God's presence.
