LONGVIEW POINT D'NOW 2019

FEBRUARY 22-24

DEADLINE TO SIGN UP IS WEDNESDAY, FEBRUARY 13TH!!!

Disciple Now is a weekend event that challenges you to go deeper in your walk with our Lord and Savior. It will also present the gospel for those who do not know Jesus personally. It is jam-packed with worship, Bible study, serving others and just hanging out together. You will be divided up and stay in different host homes both Friday and Saturday night. College students will lead you and your peers through Bible study sessions at your designated host homes.

LEADERS OF THE MAIN EVENT

This year our main speaker will be Brett Frazier. Brett is riding a wave that he didn't start. He surrendered to full time ministry lying in a hospital bed located on a jungle island in South Philippines. Since that time, it has been his clear aim to preach the good news of the gospel of Jesus Christ, and to mobilize the next generation to answer God's call to make disciples of all nations. He has served as the student pastor at First Baptist Church Batesville and Faith Baptist Church Bartlett before becoming the Lead Pastor of First Baptist Church Bay St. Louis. He has a heart for the nations and for the lost in his community.

The band will be led by Tracy Gray. Tracy is the Worship Pastor at Yellow Leaf Baptist Church in Oxford. He has led worship at numerous camps and D'nows over the last 15 years. His heart for the Lord radiates through his worship.

REGISTRATION
