

THE LATEST CORONA VIRUS UPDATE!!
Dearest Friends of La Montaña Christian
Camps ~

It has been over a year since we were forced to shut our doors to campers as a result of the worldwide pandemic, and we are still here!! God has been so gracious over all of us here at LAMA and La Montaña Christian Camps as we have witnessed the supernatural provision of the Lord over the camp. To date, we have been able to meet all of our financial obligations and have even been blessed with being able to pay for our property taxes, use permits and our trimmed down operational expenses! This is nothing short of a miracle and YOU were the ones God used to make this possible. THANK YOU!! We still have a way to go, but as we slowly reopen, we are confident that we are going to go the distance and once again see camp bustling with tens of thousands of young people hungry to hear the message of the Gospel.

PRAYER AND CURRENT NEED: Camp is REOPENING!! Things are constantly changing in Costa Rica, so keep coming back here to get the latest updates. Our plan is to move toward 100% financial independence this year and your continued gifts and prayers are going to get us the rest of the way there. **The immediate financial need is the following: We need to update our electrical system in order to have our use permit renewed (\$20,000) and we need another \$20,000 a month for the next few months to continue to cover the operational and maintenance expenses of camp until we are able to return to 100% capacity.**

Thank you for praying. **Please share the need with your friends and acquaintances and let's trust the Lord to meet this urgent need.**
