

# La Montaña Christian Camps Intern Program

**La Montaña Christian Camps** is an evangelistic, high impact adventure camp, nestled in the cloud forests of Costa Rica, Central America. Since its inauguration in 2001, more than 160,000 campers have come through our program, and thousands have committed their lives to Jesus Christ as their personal Lord and Savior.

At La Montaña, we are offering a way for young adults from around the world between the ages of 18-25, to be a part of this amazing experience through the **La Montaña Intern Program**.

We are excited to partner with young leaders who would like the opportunity to serve the Lord and lead students into becoming fully devoted and surrendered disciples of Christ.

- What you'll experience:**
- \*Greater Study of the Bible
  - \*Leadership Training & Development
  - \*Lead Short Term Mission Teams
  - \*Serve alongside Camp Staff
  - \*Explore Costa Rica
  - \*Learn Spanish Basics
  - \*Build Life-long Friendships

**All while developing a worldview of what God called us to do,  
"Love the Lord... Love your neighbor"**

## Intern Program Vision

**To guide qualified young people with a heart for the world, in discovering what it means to be a disciple of Jesus Christ; through service, compassion, sacrifice, reflection and discerning the life He desires for His followers.**

***Our days start early and end late, but the energy and excitement at camp will keep you going strong all day long.***

We serve alongside each area of the camp staff as part of the Recreation, Hospitality, Maintenance, Kitchen and Special Projects Teams. As an intern you are assigned to a specific area of camp, where you will then lead Short Term Missions Teams that come to serve, being a bridge for the La Montaña Staff and our Mission Teams.
