

Dear Friends,

CENTER

“But seek first His kingdom and His righteousness, and all these things
will be added to you.”

Matthew 6:33

Grace and peace to you from our Lord and Savior Jesus Christ! God is good all the time and He knows exactly what we need and when we need it. Our job is to look to Him and place Him at the center of our lives and in everything that we say and do.

As a ministry, we have always endeavored to keep the Lord at the center of everything that we do. Our vision and mission statements put Jesus as the reason for doing what we do. We have seen His hand on La Montaña Christian Camps since we opened our doors 16 years ago. There can be no way to tell you all the ways that He has come through for this ministry. Time and time again, He has been faithful. The La Montaña experiment has been so successful that we began to believe that our success had something to do with us! We discovered that it doesn't – it has everything to do with Him and Him alone! Focusing and believing in ourselves brings pain and we lose focus on what is important.

Over this past year, we have been purposefully refocusing our eyes on Jesus and we have been taking our staff back through the foundations of camping. At every meeting, we are reminding them (and ourselves) who we are, what we do and why we do it. The result? The blessing of the Lord has fallen upon us again! Over the past few months, amazing things have happened that have reminded us to not fret because He has this ministry under His perfect control!

Our prayer for you is that you take an honest look into your own lives as we have done. Is God in the center? Is He sitting on the throne of your life? Do you look to Him for your daily marching orders? I would encourage you to throw your life back into His care and control. He who created the whole universe can certainly manage your life and all of its challenges. Please read Matthew 5-7 in order to give you the right focus as we together strive to keep Him in the center of everything we do.

Thank you for continuing to support and pray for this life-transforming ministry. Please keep us in your prayers and pray that the Lord would continue to do His mighty work in redeeming the lost for His Son, Jesus Christ. Seek His kingdom and His will and He will take care of the rest!
