

Dearest Friends -

June, 2019

“The people walking in darkness have seen a great Light, and those living in the land of the shadow of death, a light has dawned.” Isaiah 9:2

Greetings and blessings to all of you, our faithful friends and supporters! I trust that this letter finds you rejoicing in the light of our Savior! We have an exciting opportunity to share with you! What better person to share it than our beloved Founders?

Dear LAMA Partners:

God has opened a great door of opportunity for us to bring 300 Bribri Indian young people from Talamanca, Costa Rica to La Montana Christian Camps this July 15-20. The Bribri Indians form a large indigenous group living in an isolated and protected area in southern Costa Rica

The social, moral and spiritual needs of these teens are enormous! They are attending 8 different schools throughout the region and tribal leaders, their mayor and school principals have endorsed this life-transforming experience. Workshops and talks on relevant subjects geared to their needs, as well as Bible studies and our evening chapel of music and message will be part of the program. Our sports facilities and program are outstanding.

Since they come from families with limited resources, LAMA has pledged to raise the needed \$30,000 to cover their week at camp. If you would like to invest in helping one or more of these Bribri teens, go on line to lama4youth.org or send in your tax-deductible investment to LAMA, PO Box 6057, Ventura, CA 93006. “those living in the land of the shadow of death, a light is dawning.” Your prayers are deeply needed!
