

Dear Friends,

May 2017

Fruit!

“And what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also.” 2 Timothy 2:2

Greetings and blessings to all of you from all of us at LAMA and La Montaña Christian Camps! Our prayer is that you would be blessed as you continue to be a blessing to others! May your lives prosper and produce fruit for the Kingdom. You never will fully know the impact you can and will have on those you invest your life in.

The Awareness Ministry of LAMA & La Montaña Christian Camps exists for this very reason - to extend the opportunity of service to others in the name of Jesus to the young Christians & Adults of North America. When you serve others, your heart for evangelism and discipleship increases. And that was especially true for Michael & Morgan LeBlanc.

Four years ago, Michael and Morgan came to be Interns for the summer at La Montaña. Through their experience and service with us, God began doing a great work in their hearts. They started dating and after graduating from Biola (Michael) and Cal Baptist (Morgan), they married and began praying about their next steps as a couple. God is now leading them to reach an un-reached peoples group in Papua New Guinea with Ethnos360 (formerly New Tribes Mission). God, working in their hearts while they were Costa Rica at La Montaña, is now going to use them mightily in Southeast Asia! A summer in La Montaña brought a couple together who were so radically changed by their experiences with us that they decided to devote their lives to serving God on the mission field! We invite you to pray with us for Michael and Morgan as they raise their support and begin their ministry!

Our prayer in sharing their story is this: that you would see the difference you are making with your prayers, your time, and your talents. As you partner with us, you are investing in a ministry that is changing lives for Christ - worldwide. Pray for the next group of 8 Interns, as they learn, serve and grow with us this summer. Pray for the 6 ministry teams of young people from churches all across the country as they come as well - that God will raise up from them, world changers for the gospel. This is what awareness is all about! Pray for us as we continue to travel around the country to share our story of this life-changing ministry on Christian College Campuses, Churches and Schools. Invite us into your home for an evening dessert to find out about all the ways that you, your friends and churches can partner with us. Thank you, Ray.

Thank you for your prayers and investment in a ministry that is influencing and reaching so many for Christ. We are so amazed and blessed by the faithful partners who monthly cover us in prayer and support so that we can continue the work set before us. God bless you!

Joseph Pent - Executive Director
