Youth Pastor/Leader – This is an opportunity to build a youth program from the ground level. We have a few youth associated with the church that would be likely to take part in youth group activities. In our church’s state of growth, we are seeing younger families that desire to have place for their teens to learn and grow. Expectations: plan weekly youth gatherings, plan & execute quarterly activities (which include Open Bible Camps or other events) build relationships with young people, and build a youth staff. When schools are open for visitors, it would be a desire that lunch times are periodically used to visit students outside of the church. There will be opportunities to speak on Sunday mornings, or to grow into that opportunity in a safe environment. Other opportunities to serve in other areas of passion. \$200 a month stipend to start, increases as the church grows.

Children’s Ministry Leader – We have a few dedicated children’s workers, and want to grow the ministry by adding overall vision and leadership. As a growing church, we are adding younger families and need to build the children’s team, offering age-appropriate Sunday School classes. There is an opportunity to select a curriculum, or to develop/implement your own at the discretion of the Lead Pastor. Other opportunities to serve in other areas of passion. \$200 a month stipend to start, increases as the church grows.

Staff Pastor/Teaching Pastor – Our growing church desires to add someone with the heart of a Pastor to the leadership team. Primary needs are someone who is capable and willing to preach on Sunday mornings at least once a month, and help visioncast/execute the church’s plans for church growth and community engagement. An entrepreneurial spirit would be welcomed here. There will be opportunities to serve in other areas of passion. \$200 a month stipend to start, increases as the church grows.

For more information about any of these positions, contact Pastor Chris Huntoon at chris.huntoon@yahoo.com
