Church Description: Christian Life Center is a well known church in the community of Bend. Our current average attendance is 250 - 275 split between two services on Sundays. It is a mix of all ages, including a healthy youth and children's ministry. We have had a great worship program, that is vibrant and skilled, and aimed at a younger demographic (20-35 yr olds) stylistically.

Bend: Bend is amazing. It is known as a resort town nestled in the High Desert on the East side of the Cascade Mountain Range. We have mostly sunny weather, (less rain than most of California). There is quite a bit of new growth in the area as Bend has become a highly desired place to live. With lots of outdoor activities minutes away from home including hiking, biking, skiing, snowboarding, and water sports including river surfing. We are 15 minutes away from Mount Bachelor, and 3 hours away from the coast. We have a great airport just 20 minutes away from the church that can service flights nationally.
