

Digital Digest

**Week of
March 22**

While we are missing being together face to face, we wanted to put together a few resources that you may be able to use with your family, during your prolonged spring "staycation"!

Focusing on our Global Outreach Conference this week, continue practicing our memory verse for March:

"Then I saw another angel flying directly overhead, with an eternal gospel to proclaim to those who dwell on earth, to every nation and tribe and language and people."

Revelation 14:6

Sunday Morning for Kids:

Kidology has an awesome kids sermon series that they are sharing over the next few weeks. It requires a "free to anyone" membership and is geared directly for elementary and pre-school aged children. There are great object lessons and songs all connected to the message they are sharing. Check out last week's message "Have no fear, God is here".

Kidology.org

Missions Week Resources and Ideas:

Check out Wycliffe.org for some fantastic missions related resources. This site is a wealth of resources for keeping kids busy and engaged learning about missionaries and new cultures from all over the world. There are recipes, art projects, lessons about new cultures, map exploration, and suggestions for praying for people and cultures around the world.

Share Your Fun with Us!

Please feel free to reach out to us with prayer requests or to share any awesome resources that are working well with your families.

We would also love to see some of the fun things your family is doing this week! Email us a picture with a caption and we will include them in next week's Digest.

Stay in Touch!
