

# Summer Single Service Updates Beginning June 9th

With the change to a single service, we would like to take the opportunity to refresh you on some of our Sunday morning practices and inform you of a few updates to help eliminate confusion in the upcoming weeks.

We ask that you please check in before sending your child to their classroom. We will continue to use the check in system for attendance and pick up purposes.

## **During the Worship Service:**

- Child care will be available during the service for children ages 5 and under in their regularly scheduled rooms.
- Children completing Kindergarten through grade 3 will be dismissed for Junior Church from the auditorium.
- Sermon Notes Journals are available for 4th-6th graders. Please see Kristen for a copy.
- You may leave your children in their assigned classes between the service and the Sunday School hour.

## **Sunday School Hour:**

- Children ages 5 and under will meet for Sunday School in their regularly scheduled classes.
- All elementary aged children (K-6th grade) will meet in Room 10 for praise and worship beginning after the Worship Service.
- Children in Kindergarten-3rd grade will meet together for Sunday School in Room 9. Students in Kindergarten through 3rd grade will need to be signed out of Sunday School.
- Children in grades 4-6 will meet together for Sunday School in Room 10. They will be dismissed from Sunday School at the 11:30 bell.

**\*\*\*Parents please determine a location to meet your 4-6th graders (i.e. your ABF, outside the main sanctuary doors). We would like to keep them out of the parking lot for their safety and the safety of others.**

We are asking that you **please make every effort to pick up your children immediately following the first dismissal bell**, so that our volunteers are able to leave at a reasonable time. Thank you in advance for your help in making this a smooth transition.
