welcomes all lady crafters to

**Yarn & Yack Nights**  
Thursdays, 6:30-8:30 PM  
Sept. 20-Oct. 25

Yarncrafters & Friends welcomes all lady crafters to Yarn and Yack Thursdays. Enjoy socializing with other women as you craft, whether it's knitting, crocheting or other crafts you enjoy. Those who want to learn to knit or crochet will find experienced yarncrafters ready to teach you how to use those knitting needles and crochet hooks.

Children are welcome if accompanied by an adult. Sign up on the communication form. Please indicate on the RSVP what kind of craft you plan to do so we know how many tables to have available. If you are new to knitting or crochet and want to learn, please indicate that on the RSVP, also. We'll meet in Room 23.
