- Extra-curricular activities including National Christian Honor Student Association and Dual Enrollment through Oral Roberts University.
- Clubs for junior/senior high include chess, debate, drama, scrapbooking, leadership, and Spanish.
- Tuition is extremely competitive.

As you consider MBA for your child's academic experience, I encourage you to schedule a tour of our campus and get a sense of our positive, thriving and peaceful environment characterized by excellence and achievement. I look forward to introducing the Academy further to you and your child.

Sincerely,

Mrs. Stelogeannis

HIGH SCHOOL INFORMATION

Transferring Students

Students who transfer to MBA from another school in the secondary level, who do not have adequate credits for graduation, may not be able to fulfill graduation requirements without taking summer school at another location.

MBA will try to accommodate transferring students, but classes are offered in block format per grade, with little flexibility; therefore, the student may not be able to schedule needed classes.

College Entrance

MBA is recognized by national accreditation associations—the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI) and the International Christian Accrediting Association (ICAA). It should be noted that every college has different entrance requirements that may or may not be met by MBA. It is strongly suggested that parents contact all universities and colleges that they are interested in their children attending to determine admission requirements.

MBA is available to communicate with college admission counselors to assist with the admission process. Parents may contact the office for such assistance.

Transferring Credits

Because Meadowbrook Academy holds recognized public and private school accreditations, the transfer of credits should not be a problem; however, policies vary from state to state, and place to place. Assistance is offered by Academy administration in contacting potential school districts into which families may move.

Dual Enrollment

MBA is working jointly with Oral Roberts University (ORU) online to dual enroll eligible students. Only students in 11th and 12th grades may participate in this program. These programs have strict requirements as to approved classes and schedules.

The benefit of these programs is that they allow students to accumulate college credits, while acclimating students to a college routine. All dual enrollment fees and book fees are the responsibility of the parents.

Honor Society

Students in grades nine and up who maintain a GPA of at least 3.5 and are recognized for their outstanding character, are eligible to participate in the ORUEF National Christian Honor Student Association. These students receive recognition for their achievement with an induction ceremony where they are presented with certificates and pins. The cumulative high school GPA is used in determining initial eligibility. The students must not drop below a 3.5 GPA for more than two grading periods to remain in the association. Graduates that maintain membership status up to graduation will receive a CHSA emblem to be placed on their diploma.

Florida Virtual School

MBA is a participant in the Florida Virtual School (FLVS). FLVS is an internet academic program offered by the Florida Department of Education. High school students who meet enrollment conditions may participate in FLVS for extracurricular subjects and **Advanced Placement** classes not offered at MBA. Enrollment is limited. Note: Florida Tax Credit Scholarship recipients may take a maximum of two virtual classes per year. Students must have a 2.0 GPA minimum to participate. Interested students should contact Academy administration for details.

Driving

Students who have reached the driving age and have obtained a valid FL Driver's License, are permitted to drive themselves to and from school. Driving is a privilege and should be treated as so. Students may not drive on field trips, sports activities, etc. during school hours. Students are required to park in designated student parking areas.

AGREEMENTS

Please read, initial, and sign the following agreements. These agreements undergird the health and welfare of Meadowbrook Academy (MBA), and assist in the overall quality of the academic program that is offered. They are listed to ensure all parties are clearly informed as to their responsibilities. As a condition of enrollment, families are committing to observe the following Agreements:

Registration Refund Agreement

Initial

The Registration Fee must accompany the Registration Form. Because supplies are ordered, and personnel is hired based on registration numbers it is a hardship on MBA to accommodate late withdrawals by issuing registration refunds. *Registrants have two weeks in which to withdraw their enrollment and receive a refund.* Fees are non-refundable after this point unless the student has been placed on the waiting list due to full class enrollment, or he/she has not met the admission requirements. However, registration fees are *not* refunded regardless of the two-week period once a student is placed in a class and the class is deemed to be full. At that point, registration fees are not refunded because other applicants are turned away due to full enrollment and possible tuition is lost.

Payment Agreement

Initial

Parents enrolling a child are responsible for payment of all tuition, fees, and related costs. Any financial arrangements made between a parent and a third party concerning the payment of fees, extended care costs, and tuition are the private concerns of the parent(s) and does not involve MBA. MBA is not responsible to collect any delinquent fees from a non-custodial parent, relative, or a benefactor who does not have a written agreement with MBA. Unless there is a court order (on file with MBA) holding another party responsible for payment of tuition, fees, or costs, the enrolling parent will be held responsible for any unpaid tuition, fees, or costs. Unpaid fees prohibit future admissions, and the release of report cards and transcripts.

Please note: The tuition rate is an annual fee based on being enrolled for 180 days. There is not a monthly tuition fee; however, the option of breaking down the annual fee into 10 equal payments is made available to assist in budgeting for the year. When a student enrolls after the beginning of the school year and/or withdraws before the conclusion of the school year, tuition owed will be calculated on a daily basis determined by the days the student has been or will be enrolled. For example, if the annual tuition is \$7,250.00, the daily rate is calculated as \$7,250.00 divided by 180 days which equals \$40.27 per day. If a student is enrolled for 65 days, the annual tuition due for that student would be \$2,617.55 (65 x \$40.27). Any amount owed or refund due will be calculated using this formula. This includes students on the Florida Tax Credit Scholarship as well.

In the event of withdrawal from MBA, in order to receive student records immediately, all outstanding balances must be paid by cashier's check or in cash. If you wish to pay by another method, your student's records will be available upon final clearance of funds through MBA's bank account.

Once a parent/guardian enrolls a child, they are agreeing to pay all tuition, fees, and school-related costs in a punctual manner. Tuition is due by the 1st of each month with a late fee assessed after the 10th. For your convenience, MBA offers direct withdrawal for tuition from your credit and/or debit card. If utilized, tuition will be withdrawn on the 1st of each month beginning in August and continuing through May.

Delinquent account balances can be extended only to the end of the month before the student is restricted from attending school unless a payment arrangement has been approved by the principal. MBA will not make any special arrangements regarding the student's school assignments during a time of restriction. Once the balance is paid, and the student returns to school, makeup work will depend on the discretion of the teacher, and where in the grading period the restriction occurs. No doubt, restrictions will adversely affect a student's grades.

Full-Year Enrollment

Initial

With enrollment comes the understanding for the parent that they will commit to the full school year. Their child's placement may mean others (and tuition revenue) were turned away. Failing to complete the year seriously affects MBA's budget.

_____ **Withdrawal Agreement**

Initial

On the occasion of a student's withdrawal from MBA at the direction of a parent, for any reason, the parent will be responsible for a withdrawal fee of \$500 per student. The ordering of supplies and hiring of faculty and staff is budgeted each year according to enrollment figures and tuition projections. MBA plans for and commits to meeting the educational needs of each student. Withdrawals adversely affect the budget projections set for each student. Withdrawal fees allow MBA to recoup promised revenues and process replacement students.

_____ **Internet and Network Access Agreement**

Initial

MBA students may use computer Internet services. While MBA uses a filter to block obscene and immoral web sites, it should be understood that it is difficult to block every objectionable site. Students may have their Internet privileges suspended or revoked for inappropriate Internet use. Further discipline or possible legal action may ensue for particularly egregious activities. MBA is not responsible for any claims or damages that may arise from unauthorized or improper use of the Internet or network systems. Student use of the Internet is approved for MBA curriculum use only. Personal use is strictly forbidden (i.e., email, instant messaging, social networking, etc.).

_____ **24-Hour Conduct Policy**

Initial

As a Christian discipleship school, MBA is dedicated to teaching its students that consecrated living is a 24-hour lifestyle. Students are to understand that living conflicting lifestyles is contrary to scriptural principles and the vision of MBA. Violating the 24-Hour Conduct Policy will result in disciplinary action and possible expulsion. It is against the 24-Hour Conduct Policy for students to use or encourage the use of tobacco, illicit drugs, or alcohol, or to attend gatherings in which such activity takes place. Immoral physical relationships are a violation. Additionally, immoral, crude, or suggestive verbiage or pictures in any media (i.e., Internet, cell phone) is a violation of policy. Please see the 24-Hour Student Conduct Policy in the Student Handbook.

_____ **Medical Attention Agreement**

Initial

Meadowbrook Academy, or their employee or agent(s), will not assume liability for students injured while participating in an athletic after-school event or other activities during the school day. Parents must assume this responsibility and have adequate medical insurance to cover such injuries. MBA will not be responsible for the costs of insurance deductibles.

MBA, employee, or chaperone/driver will not be held responsible for injuries to students incurred during the transportation of students involved in school activities, or injuries while on field trips. Students may travel in a privately-owned vehicle to and from events. The route to and from events may vary depending on traffic, stopping for food, stopping for gas, and other unforeseen issues.

When a student is in need of *emergency* medical attention, MBA will call 911 then the parent. Otherwise, parents will be notified first in non-emergency situations. At the discretion of a MBA official at the scene (whether at MBA, away-game sporting events, or field trips), 911 will be called when emergencies occur. MBA will not be held responsible for any cost incurred from emergency treatment (i.e., ambulance and fire rescue services, etc.). These costs will be borne by the parent.

Permission is granted by the parent(s)/guardian for medical procedures performed by licensed medical personnel (i.e., ambulance personnel). Permission is granted by parents for MBA staff to perform CPR, or basic first aid to stabilize a student before an EMT arrives. Parents are contacted when serious accidents occur, or blood is present. Emergency numbers must be on file with MBA office and Extended Care.

I have read and will observe the *Registration Refund, Payment, Full-Year Enrollment, Withdrawal, Internet and Network Access, 24-Hour Conduct Policy, and Medical Attention Agreements* and all policies and procedures of MBA. I understand that these Agreements remain in force for however many years my child is enrolled at MBA.

HONOR CODE

A successful learning process is undergirded by a code of proper conduct. Meadowbrook Academy (MBA) has established a code of biblical standards with which our student body is required to comply. These standards nurture a Christ-like attitude of respect, obedience, self-discipline, kindness, and honor.

These principles must be adhered to at all times—on campus and off campus. Poor conduct by our students, wherever it occurs, reflects badly on this Christian Academy.

Each MBA student is required to abide by the following Honor Code:

To honor the Lord by reverencing His Name, His Word, and MBA Chapel Services.

To honor and obey those in authority by respectful and cooperative behavior.

To honor one's fellow students through kindness and love.

To honor MBA property and personal property through cleanliness and nondestructive activity.

To honor class time through attentiveness and refraining from disruptive or unproductive behavior.

To honor oneself through a positive lifestyle that benefits spirit, soul, and body and refraining from immoral or illegal behavior.

Statement of Agreement

As a student of MBA I agree to abide by the MBA Honor Code and all principles of proper conduct held by MBA. As a student, I will not participate or engage in the following actions. Doing so will result in disciplinary action and likely expulsion.

- Use tobacco products
- Drink alcohol
- Engage in immoral physical relationships
- Use illicit drugs
- Attend parties at which alcohol or drugs are present
- Transmit unsavory language or pictures in any media
