

Schoology Sign-Up Procedures

To sign up for a new Schoology account (student)

If you don't already have a Schoology account, go to <https://app.schoology.com/register.php> and click **Student**.

1. Enter your Access Code. This is a 10-digit code in **XXXX-XXXX-XXXXX** format that you receive from one of your instructors.

The screenshot shows a white rectangular box with a light gray border. At the top left, the text "Sign up for Schoology" is displayed in a dark blue font. To the right of this text is a "Back" link in a lighter blue font. Below the text is a light gray rectangular input field with the placeholder text "Access Code". Underneath the input field is a line of smaller, gray text that reads "Enter the access code provided by your instructor". At the bottom left of the box is a blue rectangular button with the white text "Continue".

2. Fill out the form with your information.
3. Click Register to complete.

When you use a course access code to create an account, you are automatically enrolled in the course. To join additional courses in Schoology, click on the join link in the Courses dropdown menu at the top of the page.
