

Schoology Student Notifications

Schoology sends you email notifications for Social, Academic, Group, and School activity that occurs in your account. To manage your personal account notifications, click on the down-ward facing arrow in the upper right corner of your Schoology page, and select **Settings**.

Email

You can select which notifications you would like to receive from courses and groups in which you're enrolled.

To turn off all email notifications for your account, click **Turn Off All Notifications**.

To customize your notifications, follow these steps:

1. Click the arrow next to your name on the top right side of Schoology.
2. Select **Settings** from the drop-down menu.
3. Click the **Notifications** tab.
4. Select the button next to the notifications you want to change.
5. Choose **On** (receive from all sources), **Off** (the default setting), or **Custom** (pick and choose the sources).
6. Click **Save Changes** at the bottom.

Note: If you receive notifications for Schoology Messages, you may respond to the message directly from the notification in your email.

Mobile Message/Push Notifications

Text message or Push notifications are also available for certain actions. You can link your mobile phone to your Schoology account by following these directions:
