## Operation French World Update

This evening, I will be presenting an update of our French mission work (OFW—Operation French World); and our teen young men will be leading the assembly. I hope you will plan to attend. God is doing some awesome things all over the earth everyday, even in the midst of tragedy, chaos and turmoil!

See beautiful photos of and hear about our recent mission trip to Quebec. Hear about all the new churches being started in France, Quebec, and in the Caribbean; and ‘meet’ your latest brother in Christ from the South of France. Hear details about the young couples moving to France to help with the new church starts.

When Jesus commanded His followers to “Go into all the world and preach the Good News to everyone” (Mark 16:15), He meant it. He was talking to you and me! This is not a job ‘for someone else’; this is Our Job! It is so exciting when we become “co-workers” (as Paul says) with God in His Great Plan of Salvation. Everyday at work in the Vineyard together can be Awesome.

Come and catch a glimpse of the amazing tapestry of love that God is weaving for eternity among His people all over the earth. You not only may learn some interesting things, God may set you on fire to do His holy will everyday in a fresh and focused way.

Cheryl and I thank God for you and all the ways that He is working here in the Laurel church family! Please pray that these new churches and many more will be launched. Pray also for all the souls being reached through new World Bible School efforts here and all that is being done in Africa and elsewhere through the many missionaries and local Evangelists the Laurel congregation supports around the globe.

May we work together in everyway everyday to help His Kingdom to expand until He comes!

In His Great Love,  
Bren
