Celebrate, Celebrate, Celebrate

Our celebrate, celebrate, celebrate could be termed a success, success, success. We had the largest combined event (other than a worship service) with our English and Spanish speaking groups. We were celebrating the end of life groups for this year, the end of the school year and Father's Day.

Our congregation has used life groups for many years as a way to discuss the weekly sermon and get more insight into the message as well as developing stronger bonds with our brothers and sisters. While this year's life group season is over, if you have not participated in life groups, please consider joining a life group this fall.

If you are interested in leading a life group or helping with life groups in any way, please contact Bruce Robins.
