

Hello family,

By now we all have heard the news regarding the latest health concerns regarding the coronavirus. The Maryland Governor has closed all public schools starting on Monday, March 16 for two weeks. He has also ban large gatherings of people in one place. Some may wonder what we are going to do as a church.

The elders are announcing that Sunday worship at the building has been suspended until further notice. Our Wednesday evening Bible classes will continue as scheduled.

We will have the sermon Live Streamed at 10:30 a.m. Sunday morning. This will also include brothers presiding over the Lord's Supper. The link will be sent as soon as it is available. The Bulletin will be available on the web page. Please keep in mind, we are not discouraging any that would like to host a small gathering in their home.

Communion supplies will be available on Saturday afternoon from 3-5 p.m. for pick up. For those that want to continue to give during this time, you may use the Elexio app. It is a secure site. For Elexio help please contact Joe Ford or stop by on Saturday during the communion supplies pick up for help.

Unfortunately, we are sad to announce that Bible Bowl has been postponed. A future date will determined by all of the congregations that are participating.

The Food Pantry will be closed during this time and will reopen on Monday the 30th if conditions indicate that it is safe to do so.

We will do the best that we can to communicate all information and not to over look anyone in our family. The Web page and Face Book Page are being updated as well.

If you have trouble with the password for the Bulletin, contact any of the elders, deacons or ministers.

Please share this information with others in the church family that may not be in Elexio directory.

Praying that this passes quickly.

In His Awesome love together,

Allen Pratt
