

# NAZARENE YOUTH CONFERENCE

---

IN PHOENIX, ARIZONA

JULY 8-15, 2019

THEME: LOVE GOD, LOVE OTHERS, LOVE LIVED

NYC (Nazarene Youth Conference) is an exciting and life-changing event for high school students only, and happens once every four years! The experience is jam packed with dynamic speakers, worshipping with thousands of other high school students and sponsors from the USA and Canada, service projects in the community, high energy concerts from some leading artists in Christian music, and so much more!

The South Texas District is hard at work planning for this chance of a lifetime week! Although some details are still in the works, we want to share with you what we do know. We will be using charter buses as our source of transportation, and the trip will take us two days each way. We will be spending a night in a hotel going to Phoenix and coming home from NYC. We have allowed for some extra activities at the front and back end of the trip. More information will follow as it continues to unfold. While in Phoenix we will be staying in a hotel downtown (the exact hotel is still undetermined), and the conference will take place at the Phoenix Convention Center

**Are you interested in being a part of this amazing event, and wondering what you need to do? Here is how the process works:**

1. Go to [southtexasnyi.org](http://southtexasnyi.org) for the link to submit your name to the District. Link will be available after May 1, 2018.
2. Students will be contacted in order to go through an interview process either in person, Skype or Face Time.
3. Students and adults will be notified by email as to whether or not you will be approved. (Space is limited for adult sponsors and will depend on how many students register).
4. Once you have received confirmation, you will be sent a link to register. The \$450.00 payment will need to be paid at this time.
5. District Payment schedule begins in July 2018. (Payment Schedule attached)

**All paper work must be submitted online. Payments will only be accepted through our South Texas District site.**

We are excited about this upcoming trip and ask that you prayerfully consider being a part of it. We have made this information a year in advance in order to give each individual and youth group time to raise the \$1,400.00 cost. Please know that YOU have already been prayed for, and we can't wait to see what God has in store for each participant!

We are your Co-Coordinator of the South Texas District NYC 2019 event, so please feel free to contact either of us with your questions.
