Grapple Question:

Why Do Some People Have More Friends?

Kids Learn:

What Makes a Real Friend

Dig Into the Bible:

1 Samuel 18:1-4; 19:1-7; Proverbs 18:24

Do we ever really outgrow wanting to be liked and accepted? What seems like a grade-school thing is actually an everybody thing. This week let your kids know that you can relate to their desire for real friendship, and point them to Christ. Share about a time you struggled with not having enough friends, or share about a time you felt Jesus was closer than any other friend.
