Grapple Question:

Why Should the Bible Matter to Me?

Kids Learn:

The Bible Is a Map to Guide Your Life

Dig Into the Bible:

Psalm 119:33-40, 65-68, 97-105

Think back to your childhood. Were you ever really, really lost? Maybe you lost sight of your mom in the twists and turns of the health and beauty department. Or maybe you couldn't remember the way home after playing at a friend's house. It's a terrible feeling to lose your way—especially in life. Pray every day this week that your child will cling to the Bible as a blueprint for life so he or she can always find the way back to God.
