Honoring My Parents

Dig Into the Bible:

Deuteronomy 5:16; Proverbs 13:1; Mark 7:10-13; Romans 13:1; Colossians 3:20

This week create guidelines with your child for staying over at friends' homes. What things do other parents have authority to decide? Discuss rules about junk food and soda, what kind of TV and movies your preteen may watch, Internet and video-game use, curfews, and so on. Will you have the same rules no matter where your child stays? When should your child call to consult you? Clear guidelines will head off most problems.
