

Growing. ... Together

Bible Story
Philip tells the Ethiopian
about Jesus.
Acts 8:26-40

Acts Lesson 3:
God wants us to show his love.

Bible Verse
“Love each other. Just as I have loved you,
you should love each other”
(John 13:34b).

In Touch.

Today your child learned that God wants us to share with others about his love and that we are a reflection of God’s love when we share with others about him. Use these activities to help your child understand that he or she is not too young to begin sharing with others about God’s love.

A Sweet Message

Make heart cookies, and deliver them to a neighbor or someone you know who needs to hear the good news about Jesus. Include a note with the cookies that simply says “Jesus loves you and so do we!”

Super Soup

Invite your neighbors for a potluck soup night. Have each family bring a pot of their favorite soup. This is a good way to get to know your neighbors and open doors to sharing the good news of Jesus with them.

Good News Journal

Have your family start a good news journal. Each evening write at least one way God has blessed you that day. Even on your most rotten day, you can usually find some small way in which God is still blessing. Share this good news with your family.

Love in Action

As a family, volunteer one day at your local homeless shelter serving a meal. Take opportunities to visit with the other children who might be there. Show them God’s love.
