

Today I learned...

Jesus died and
came back to life.

Today your child learned that Jesus died and came back to life. The children learned that Jesus brought Lazarus back to life to bring glory to God. They also learned that by being kind and obedient they bring glory to God, too!

Verse to Learn

For God loved the world so much that he gave his one and only Son (adapted from John 3:16).

Ask Me...

- Who was Lazarus, and why did he die?
- Why did Jesus bring him back to life?
- How can people bring glory to God?

Family Fun

- You'll need a carton of eggs. As a family, use permanent markers to write an idea on each egg about how to bring glory to God. Ideas might include: Make a card for a sick friend, call an elderly neighbor, compliment a friend, or draw a picture for a teacher. Each time you use one of the eggs, do the activity written on that egg. You may want to start right away with pancakes for supper or freshly baked cookies to remind your family that their words and actions can bring glory to God!
