

Today I learned...

Today your child learned that Jesus died and came back to life. Children heard how the people of Jerusalem praised Jesus as he rode through the city on a donkey. They talked about why we praise Jesus and how they can praise Jesus, too.

Jesus died
and came back
to life.

Verse to Learn

For God loved the world so much that he gave his one and only Son (adapted from John 3:16).

Ask Me...

- What did people say as Jesus rode through Jerusalem?
- Why is it important to praise Jesus?
- How can our family worship and praise Jesus today?

Family Fun

- Have each family member trace his or her hand on green construction paper. Cut out the hands, and have each person finish the sentence "I love Jesus because..." on his or her hand cutout. Staple the hands to a strip of poster board or cardboard. Hang your "Praisin' Palms" palm frond where it will remind you to praise Jesus every day.
