

Today I learned...

Jesus died and
came back to life.

Today your child learned that Jesus died and came back to life. Children heard about a special meal Jesus shared with his friends. They shared their own special meal to remember Jesus and how much he loves us.

Verse to Learn

For God loved the world so much that he gave his one and only Son (adapted from John 3:16).

Ask Me...

- What did Jesus tell his disciples at the Passover meal?
- Why is it important to remember Jesus?
- What can our family do to help us remember Jesus?

Family Fun

- Prepare a special "Remembering Meal" and have each family member take part in the preparations. Children may contribute by fixing beverages, tearing lettuce for a salad, or setting the table. Before the meal, pray together and have each person thank God for sending Jesus. During the meal, go around the table and have each person complete the sentence, "I'll never forget the time that..." Then tell about a kind thing another family member has done.
