

# Today I learned...

Today your child learned that God wants us to share the good news about Jesus. Children heard that Paul told people about Jesus when he was shipwrecked in a storm. They discovered that they can talk about Jesus even during difficult times.

God wants us to  
share the good news  
about Jesus.

## Verse to Learn

"Believe in the Lord Jesus" (Acts 16:31a).

## Ask Me...

- What good news did Paul tell the sailors during the storm?
- What can you remember when you're having a hard time?
- How can our family help someone who is going through a "stormy" time?

## Family Fun

- Help your child use squeezable fabric paints to decorate a plain black umbrella with pictures of good things God has done for your family. Be sure to let the paint dry for at least two or three days before you fold the umbrella and put it away. During a storm, you can use this special umbrella to share the good news about Jesus!
- Lay a half-gallon milk carton on its side, and then cut it in half to make two boats. "Sail" your boats in the "stormy" waters of a swimming pool, pond, or lake.
