Jesus Is Alive

For the next six weeks, the toddlers and 2s will be learning that Jesus is alive. The children will use their five senses to discover that Jesus came back to life and is with us all the time.

Tips for Ts and 2s

New life surrounds us in the spring, and no one delights in it more than toddlers! Wide-eyed and endlessly curious, toddlers bound after butterflies, sniff fragrant flower buds, and breathlessly wonder at empty robin eggs. While experiencing the lively signs of spring, help your toddler learn that Jesus is also alive and with us. Pick flowers, go for walks, and catch your toddler's "spring fever" as you celebrate the glorious fact that Jesus is alive.

Together Time

- Make these special Easter biscuits, and watch your child discover that the biscuits are empty inside—just like Jesus' tomb on Easter morning! Flatten refrigerated biscuit dough into 3-inch circles. Let your child place a large marshmallow in the center of each circle; then seal the dough around the marshmallow. Place the biscuits, with their seam sides down, on a cookie sheet and bake for about 10 minutes at 350 degrees. Cool the Easter biscuits before eating them.
- Sing this action song from class with your toddler:

We're So Happy!

(sung to the tune of "London Bridge")

Jesus is alive today. (*March in place.*)

Clap your hands. (*Clap three times.*)

Shout "hooray!" (*Shout "hooray!"*)

Jesus is alive today. (*March in place.*)

We're so happy! (*March in place.*)

Jesus is alive today. (*March in place.*)

Touch your toes. (*Touch your toes.*)

Shout "hooray!" (*Shout "hooray!"*)

Jesus is alive today. (*March in place.*)

We're so happy! (*March in place.*)
