

Today I learned...

Today your child learned that we can trust God when he gives us a job to do. Children heard how Moses trusted God when God gave him a difficult task. They prayed and asked God to help them with hard jobs at home and at school.

We can trust God
when he gives us
a job to do.

Verse to Learn

"Oh, the joys of those who trust the Lord" (Psalm 40:4a).

Ask Me...

- What job did God ask Moses to do?
- What jobs are hard for you to do?
- How can we encourage each other when we face difficult tasks?

Family Fun

- Take a family walk through a wooded area, park, or even your backyard looking for branches that would make good walking sticks. Bring the sticks home, cut them to the correct length, and then sand them until they're smooth. You may want to stain them and spray them with clear varnish spray.

God Speaks to Moses (Exodus 3:1-4:17)
