

# Today I learned...

Today your child learned that we can trust God when we're scared. Children discovered that God saved the Israelites by parting the waters of the Red Sea. They shared their own fears and asked God to help them trust him.

We can trust  
God when  
we're scared.

## Verse to Learn

"Oh, the joys of those who trust the Lord" (Psalm 40:4a).

### Ask Me...

- What were the Israelites afraid of?
- What can you do when you're scared?
- How can we help our family members when they're scared?

## Family Fun

- Play jump-rope together and chant:

Hip, hop,  
God stopped  
The Red Sea from flowing.  
Splish, splash,  
The waters crashed  
Over the army.  
Hip, hooray,  
God saved the day;  
I'll trust him forever!

## God Parts the Red Sea (Exodus 13:17-14:31)
