

# Today I learned...

We can trust God's rules.

Today your child learned that we can trust God's rules. Children heard how God gave the Israelites 10 special rules, and that the Israelites disobeyed the rules and built a golden calf. They talked about how God's commandments help us live safely and please God.

## Verse to Learn

"Oh, the joys of those who trust the Lord" (Psalm 40:4a).

## Ask Me...

- What did God give the Israelites?
- Which of God's rules is the hardest one for you to follow? Why?
- How can our family members help each other follow God's rules?

## Family Fun

- Play a favorite family game, but allow each family member to change one rule to make the game more challenging or exciting. For example, if you play Go Fish, make up a rule that each time a player has to draw cards, he or she must draw five cards each time, no matter what the cards are.

## The Ten Commandments (Exodus 20:1-17; 32:1-35)
