

Today I learned... God loves us and wants us to love him.

Lesson 8
Today the children learned that **GOD LOVES US AND WANTS US TO LOVE HIM.** They reviewed the Ten Commandments and learned about God's love for them. They talked about ways to express their love to God.

Help me learn this:

"I obey your commandments with all my heart" (Psalm 119:69b).

Ask me:

- Why did God give us the Ten Commandments?
- How can you show God you love him?
- How can we show God that our whole family loves him?

Family Fun

- Express your love for God as a family with a Pray 'n' Praise Night. Set out a variety of items to use as musical instruments. Include plastic bowls, large spoons, and pan lids. Invite each family member to choose an "instrument." Then play a recording of a praise song and play along. When you're finished, have a quiet prayer time and thank God for his love.
