

Today I learned...

Today your child learned that we can help others with what God gives us. Children learned about using talents rather than hiding them. They talked about using their talents to serve God.

We can help others with what God gives us.

Verse to Learn

"Work...as though you were working for the Lord rather than for people" (Ephesians 6:7).

Ask Me...

- Why did the servant hide his coin?
- What is a special gift God has given you?
- How can our family use our talents to help each other?

Family Fun

- Use a plastic milk jug to make a family piggy bank. Decorate an empty milk jug by taping on paper features to resemble a pig. Talk about ways your family can save money to help others who need food or clothing. Set a monetary goal, and encourage each family member to contribute something to the piggy bank each week. When your family reaches its goal, donate the money to a local food pantry or shelter for the homeless.
