

# Today I learned...

Jesus is the Savior the angels told about.

Today your child learned how angels told about Jesus' birth. Children learned that they can tell others about Jesus, too. They talked about being careful listeners.

## Verse to Learn

"Christ Jesus came into the world to save sinners" (1 Timothy 1:15).

## Ask Me...

- How did God tell people that his Son had been born?
- How can you be God's messenger?
- What are some ways our family can tell others about Jesus?

## Family Fun

- Christmas cards spread your family's good news. Let your child help by signing his or her name on family cards.
- Make a family message center. Let your child help cover a piece of poster board with clear adhesive paper. Use permanent markers, and let each family member design a space to write his or her messages. Use sticky tack to attach a crayon to your message center. Crayon messages are easy to erase.
