

Today I learned...

Jesus is the Savior the
wise men worshipped.

Today your child learned that wise men followed a star to go worship Jesus. Children learned that they can offer gifts to Jesus, too. They talked about ways to worship Jesus every day.

Verse to Learn

"Christ Jesus came into the world to save sinners"
(1 Timothy 1:15).

Ask Me...

- Why did the wise men worship Jesus?
- What gift can I give Jesus?
- How can our family worship Jesus every day?

Family Fun

- With your child, smell some of the spices in your spice cabinet. Tell your child that in Jesus' day, spices were valuable treasures and cost lots of money. Point out that we don't need a lot of money to worship Jesus—there are many ways to worship Jesus.
- Help your child poke whole cloves through the skin of an orange. Cover the orange with cloves, and hang it in your coat closet. The sweet fragrance will last a long time and will remind you that we can worship Jesus every day.
