

# Today I learned... Jesus loves us and gives us what we need.

**Lesson 12**  
Today your child learned that **JESUS LOVES US AND GIVES US WHAT WE NEED.** The children heard about a shepherd who took good care of his sheep. They named needs and wants and prayed about their needs.

## Help me learn this:

**"The Lord is my shepherd"**  
(Psalm 23:1a).

## Ask me:

- What do sheep need?
- What do you need?
- How can our family trust Jesus to meet our needs?

## Family Fun

- See who can be the first to give each family member a hug each morning. Let the winner choose that night's dinner menu or family activity.
- Help your child decorate sheets of construction paper to use as placemats. Make one for each family member. During mealtime remind your family that Jesus loves us and gives us what we need, such as our food and the money to buy it.
