

# Today I learned... Jesus is God's Son, born in a stable.

## Help me learn this:

"Christ Jesus came into the world to save sinners" (1 Timothy 1:15).

## Ask me:

- How do you think Mary and Joseph felt when they couldn't find a room?
- How do you feel when there's not enough room for you?
- What can our family do to make room for Jesus in our lives this week?

## Family Fun

- Gather your family and crowd under a table, into a closet, or in another small area of your home. While you're there, pray a close-together prayer, thanking God for sending Jesus into a crowded world.
- Make room for Jesus in your family by showing his love to others. Call and arrange a holiday visit to an elderly neighbor or friend. Take along some fresh-baked cookies to celebrate Jesus' birthday!

### Lesson 3

Today your child learned that **JESUS IS GOD'S SON, BORN IN A STABLE**. The children heard how Mary and Joseph found no room in the inn. They talked about ways they could make room for Jesus.

**The Son of God  
Is Born!**
