

Today I learned...

Jesus cares for people.

Lesson 6

Today your child learned that **JESUS CARES FOR PEOPLE**. The children heard about some men who brought their paralyzed friend to Jesus. They talked about ways they could help others, too.

Help me learn this:

"With God everything is possible"
(Matthew 19:26b).

Ask me:

- How did friends help the man who couldn't walk?
- How can you help a friend this week?
- What can our family do to show others that Jesus cares?

Family Fun

- Decorate a container, and label it "Helping Hands." Fill the jar with household jobs children can do, such as setting the table. Let children choose a job each day. At the end of the week, have children use their helping hands to make a favorite treat!
- Have family members take off their shoes. Help family members take turns tying their wrists together with a soft cloth and then trying to take off their socks. Talk about what it would be like to live with a disability. Thank God for healthy bodies.
